

Openable Cable Comb, 12 Channels Ø6 mm — Multicolor Bag of 7

Structured Cabling / Cable Organizers

Bag of 7 KONGIA cable combs in seven colors, one piece of each color. Each comb has 12 Ø6 mm channels and a snap closure that opens for sideways cable insertion, without threading cable ends through holes. Keeps cables aligned and facilitates bundle organization in racks, cabinets and telecommunications rooms.

PEINE ORGANIZADOR DE CABLES

Applications

Patch Cord Organization

Separate and align cables as they leave patch panels.

Network Cabinets and Racks

Maintain parallel runs and facilitate access to each group.

Telecommunications rooms

Organize cable bundles during installation and expansion.

Cable Maintenance

Open the comb to access cables without threading them from the end.

Packaging & contents
