

Cat6 Unshielded Toolless Field-Termination Plug — Fork Contacts with Thick Gold Plating and Full Nickel Plating

Structured Cabling / RJ45 Connectors

KONGIA male RJ45 Cat6 field-termination plug, unshielded, with plastic rear closure. Allows connections with compatible cable to be prepared or repaired without a conventional modular plug crimper. Sold by the piece. Installation requires preparing, arranging and cutting conductors before closure.

2 COLORES DISPONIBLES

PLUG RJ45 CAT6

Sin blindaje • Cierre posterior de plástico

KNC-RJ45-6-U-TL-1

Product type

RJ45 Plug

Selected category

Cat6

Shielding

Unshielded

Key features

- Male RJ45 connector for field-prepared connections.
- Unshielded structure for compatible cable.
- Unshielded, with plastic rear closure.
- Sold by the piece to match the number of connection points.

Technical specifications

Parameter	Specification
Product code	KNC-RJ45-6-U-TL-1
Product type	RJ45 Plug
Selected category	Cat6
Shielding	Unshielded
Available colors	Black / White

Technical specifications

Parameter	Specification
Interface	RJ45 male
Termination	No conventional crimper required; prepare and cut conductors before closure
Construction	unshielded, with plastic rear closure
Sales unit	piece
Quantity per package	1 plug
Cable compatibility	Not specified in this datasheet
Link performance	Depends on cabling, components and termination; confirm model documentation before making speed, PoE or certification claims
Dimensions, warranty and certifications	Request current model information when obtaining a quote
Warranty	5 years

Applications

Field Equipment Connections

End preparation for equipment with an RJ45 port and sufficient space for this plug.

Network outlet maintenance

Replacing a termination using compatible cable and testing the completed link.

Access Point Installation

Physical connection of wireless equipment after checking port and cable dimensions.

IP Camera Connections

Equipment-end termination where the enclosure permits; confirm the project's electrical and cabling requirements.

Packaging & contents

1 RJ45 plug. Sold by the piece; quantity 10 means 10 plugs. Individual protection and KONGIA label.

Warranty

KONGIA 5-year warranty.

Declared compliance
