Compatibility	Square-hole rails compatible with M6 cage nuts
Sales unit	1 pack of 100 sets
Certification / compliance	RoHS 2.0
Warranty	5 years

Applications

Rack Accessory Installation

Secures blanking panels, organizers, light shelves and other compatible accessories to square-hole rails. Keeping complete sets in the work area avoids delays from missing parts during assembly.

Preventive and Corrective Maintenance

Replacement inventory for screws, washers or cage nuts lost or damaged during expansion, equipment moves and service routines.

Integrators and Data Centers

The 100-set pack facilitates standardizing consumables across crews, preparing project installation kits and controlling technical warehouse stock.

Laboratories, Telecommunications and CCTV

Useful for test benches, communications rooms and security cabinets where accessories are frequently installed or reconfigured. Rail compatibility must always be checked.

Packaging & contents

Contents: 100 M6 × 14 mm carbon steel screws with black zinc plating, 100 M6 cage nuts and 100 black nylon washers; 100 complete sets per pack.

Warranty

KONGIA 5-year warranty.
