Applications

Indoor residential CCTV

Connect video and power from the camera to the DVR or power supply.

Shops and offices

Neat installations with a single cable run for video and power.

HD analog system upgrades

Compatible with AHD, HDCVI, HD-TVI and CVBS.

Projects with defined cable routes

Choose between 10 m, 20 m and 30 m to reduce splices and excess cable.

Packaging & contents

Packaging: coiled cable with a central paper or cardboard band; no plastic bag.

Warranty

KONGIA 5-year warranty.
