Transparent Self-Adhesive Cable Clips, Small, 100 Pieces

Professional Installations / Cable Clips

Transparent KONGIA self-adhesive clip, small size, 6 mm hole for 3–5 mm cables. Bag of 100 pieces.

KG-CM-AC-S100

Product type
Self-adhesive cable clip

Nominal size
Small

Body material
Engineering plastic

Key features

- Small format for cable organization
- Dimensions: 30 × 11 × 11 mm (length × width × height)
- 6 mm hole; 4 mm entry opening
- For cables with an outer diameter of 3–5 mm
- Engineering-plastic body with cable insertion opening
- Self-adhesive base for installation without drilling
- Transparent color
- Indoor use on smooth, clean and dry surfaces
- Pack size: 100 pieces per resealable bag
- Performance depends on substrate, cleanliness, temperature and settling time
- RoHS, REACH SVHC, CE DoC, CNAS and ISO 9001 as the standard documentation set

Technical specifications

Parameter	Specification
Product type	Self-adhesive cable clip
Nominal size	Small

Technical specifications

Parameter	Specification
Body material	Engineering plastic
Color	Transparent
Fastening type	Self-adhesive base
Installation	Remove liner, press base and insert cable
Drilling required	No
Intended surface	Smooth, clean, dry and stable
Intended use	Indoors
Quantity	100 pieces per bag
Primary application	Data, USB, telephony and signal
Dimensions	30 × 11 × 11 mm (length × width × height)
Internal hole diameter	6 mm
Entry opening	4 mm
Compatible cable outer diameter	3–5 mm
Preparation	Remove dust, grease and moisture before bonding
Reinstallation	The same performance is not guaranteed after removal
Unpublished values	Load, adhesive strength, outdoor use and service life subject to final documentation
Warranty	5 years

Applications

Desktop
Cable routing along the edge or underside of a smooth surface.

Networks
Organization of data and communication cables over short routes.

Audio and video
Retention of signal cables behind monitors and furniture.

Telephony and USB
Management of thin cables at workstations and counters.

Low voltage
Routing on smooth cabinet panels without drilling the surface.

Packaging & contents

Resealable KONGIA bag with 100 pieces of SKU KG-CM-AC-S100. Cables, tools, equipment and surfaces shown in application images are not included.

Warranty

KONGIA 5-year warranty. Excludes normal wear, incorrect selection, incompatible surfaces, poor installation, modification, reused adhesive and outdoor or unintended use.

Declared compliance

RoHS · ISO 9001 · REACH · CE Compliant · CNAS
