24 mm Smart Bluetooth Label Printer

Professional Installations / Cable & Port Labels

Compact printer up to 24 mm with Bluetooth and USB for designing labels for cables, racks, patch panels, fiber boxes and network assets.

KG-LP-BT24

Product type
24 mm Smart Bluetooth Label Printer

Printing technology
Thermal transfer

Compatible media
Laminated tape cartridge; final width per cartridge subject to validation

Key features

- Print width up to 24 mm for equipment, cabinets and panels
- Bluetooth connectivity for a mobile design workflow
- USB port for operation and maintenance from a workstation
- Automatic cutting for consistent label runs
- Rechargeable battery and compact body for mobility between projects
- Suitable for patch panels, racks, fiber boxes and network assets
- Standard documentation: RoHS, REACH SVHC, CE DoC, CNAS and ISO 9001

Technical specifications

Parameter	Specification
SKU	KG-LP-BT24
Product type	24 mm Smart Bluetooth Label Printer
Printing technology	Thermal transfer
Compatible media	Laminated tape cartridge; final width per cartridge subject to validation
Maximum width	Up to 24 mm

Technical specifications

Parameter	Specification
Resolution	203 dpi
Print speed	Up to 25 mm/s
Connectivity	Bluetooth + USB
Screen	App-based design; no integrated screen
Cutting system	Automatic
Mirror printing	Yes
Power Supply	Rechargeable lithium battery
Adapter	7.4 V / 1.5 A
Dimensions	125 × 125 × 52 mm
Weight	0.45 kg approx.
Language	Spanish interface subject to OEM confirmation
Application	Professional identification of cables, ports, equipment and cabinets
Contents	1 printer, 1 starter 12 mm cartridge, USB cable, charging adapter and user documentation
Standard documentation	RoHS · REACH SVHC · CE DoC · CNAS · ISO 9001
Functions subject to confirmation	Codes, software, operating systems and final language
Warranty	5 years

Applications

Structured cabling
Identification of links, patch cords, ports and routes for installation and maintenance.

Optical fiber
Marking patch cords, distribution boxes and trays without confusing routes.

Racks and patch panels
Legible labels for panels, switches, rack units and assets.

CCTV and security
Identification of cameras, power supplies, links and electronic-security cabinets.

Electrical installations
Marking conductors, circuits, panels and distribution boxes.

Packaging & contents

1 printer, 1 starter 12 mm cartridge, USB cable, charging adapter and user documentation. KONGIA packaging identified with SKU and handling information. Consumables, tools, cables, equipment and phones shown in application images are not included unless expressly stated in the commercial configuration.

Warranty

KONGIA 5-year warranty. Excludes consumables, normal printhead/cutter wear, incompatible tapes or tubes, impacts, moisture, modifications and faults arising from unapproved software or accessories.

Declared compliance

RoHS · ISO 9001 · REACH · CE Compliant · CNAS
