

Professional Component Organizer Series

Professional Installations / Tool Storage & Organization

KONGIA series of stackable PP organizers with a transparent lid, removable dividers and four selectable configurations for networking and low-voltage components.

KG-TS-CO

Product type

Professional Component Organizer Series

Main material

High-impact polypropylene (PP)

Configuration

S / M / L / mixed 4-piece set

Key features

- Four configurations on a single product page
- S, M and L sizes for different volumes
- Mixed four-piece set
- Transparent lid for quick identification
- Removable dividers
- Stackable design
- Integrated carrying handle
- Optimized for connectors, labels, clips and fasteners

Technical specifications

Parameter	Specification
Parent SKU	KG-TS-CO
Product type	Professional Component Organizer Series
Main material	High-impact polypropylene (PP)
Configuration	S / M / L / mixed 4-piece set

Technical specifications

Parameter	Specification
Reference color	Black / orange / transparent lid
Lid	Transparent PP
Dividers	Removable
Design	Stackable
Handle	Integrated
Latches	Snap-fit
Branding	KONGIA label, patch or printing according to OEM capability
Application	Networks, CCTV, optical fiber, telecommunications, access control and maintenance
Market	Installers, integrators, contractors and service teams
Contents	1 organizer in the selected size or 1 mixed 4-piece set, depending on the variant. Components not included.
Standard documentation	RoHS · REACH SVHC · CE DoC · CNAS · ISO 9001
IP rating	Not declared
Load capacity	Not declared unless expressly stated in the datasheet
Warranty	5 years

Applications

RJ45 plugs and boots

Separation by category, color, gauge or project.

Keystone jacks

Storage of modules and wall plate accessories.

Optical fiber

Sorting of quick connectors and small parts.

Labeling

Organization of labels, cartridges and consumables.

Fastening

Separation of clips, cable ties, terminals and screws.

Packaging & contents

Individual or set packaging, depending on the configuration, with KONGIA identification, SKU, barcode and country of origin. 1 organizer in the selected size or 1 mixed 4-piece set, depending on the variant. Components not included. Confirm master-carton quantity, weight and shipping dimensions in the approved quotation.

Warranty

KONGIA 5-year warranty. Excludes overload, normal wear, cuts, drops, modification, forced closures, exposure outside specifications and incorrect use or storage.

Declared compliance

RoHS · ISO 9001 · REACH · CE Compliant · CNAS
