Cut-to-Length Reusable Hook-and-Loop Roll, 20 mm × 10 m

Professional Installations / Velcro Straps

KONGIA reusable 20 mm × 10 m cut-to-length roll for making cable ties to size for racks, networking, fiber optics, CCTV and installation projects.

KG-VR-2010000

Product type
Cut-to-length cable management roll

Locking system
Self-engaging hook-and-loop

Reusable
Yes

Key features

- Cut-to-length roll, 20 mm × 10 m
- Allows different lengths to be prepared directly on site
- Individual packaging: 1 roll per bag
- Reusable hook-and-loop closure: open, adjust, reposition and reuse
- Quick installation without special tools
- Flexible surface for organizing bundles without a rigid plastic tie
- Five standard colors for visual identification: black, green, red, blue and yellow
- Suitable for structured cabling, racks, optical fiber, CCTV and low voltage
- Other sizes, lengths and colors available on quotation request
- Standard documentation set: RoHS, REACH SVHC, CE DoC, CNAS and ISO 9001

Technical specifications

Parameter	Specification
Product type	Cut-to-length cable management roll
Locking system	Self-engaging hook-and-loop

Technical specifications

Parameter	Specification
Reusable	Yes
Nominal width	20 mm
Nominal length	10 m
Selectable standard colors	Black (BK), green (GN), red (RD), blue (BU) and yellow (YL)
Pack size	1 roll/bag
Installation	Manual; no special tool
Customization	Other sizes, lengths and colors by quotation
Typical applications	Networks, racks, patch panels, optical fiber, CCTV, low voltage and industrial projects
Technical publication status	Composition, strength, temperature, flammability and cycles subject to final supplier documentation
Warranty	5 years

Applications

Racks and patch panels
Bundles patch cords and horizontal or vertical routes, facilitating moves, additions and maintenance.

Optical fiber
Organizes bundles and service loops while retaining the bend-radius control required by the system.

CCTV and electronic security
Visually separates network, power and control using the available standard colors.

Telecommunications rooms
Keeps bundles identified between panels, switches, trays and organizers.

Low-voltage electrical installation
Helps create neat, readjustable service routes during assembly and maintenance.

Packaging & contents

Resealable KONGIA bag with 1 roll of 20 mm × 10 m in the selected color. Cutting tools and cables not included.

Warranty

KONGIA 5-year warranty. Excludes normal wear, accidental cuts, contamination of closure surfaces, modification, incorrect installation and unintended use.

Declared compliance

RoHS · ISO 9001 · REACH · CE Compliant · CNAS
