Product overview

KONGIA Security Essential 64GB microSD card for video surveillance, backed by a 5-year warranty.

KONGIA Class 10/U1/V10 Security Essential 64GB offers storage focused on home video surveillance and everyday security applications. It is designed for compatible cameras using 1080p recording, motion events and low or medium bitrates. Home 1080p cameras, motion-triggered recording and entry-level kits. Usable capacity and recording time depend on formatting, device, resolution, compression, bitrate and camera settings.

Key features
